

#CareerTechOhio

Ready for **careers**. Ready for **college**.
Skills for a **lifetime**.

Each Child, Our Future, Ohio's strategic plan for education, provides an aligned goal that reflects student success one year after completing a high-quality and supportive preK-12 education experience.

Outcomes and Insights

One Goal

Ohio will increase annually the percentage of its high school graduates who, one year after graduation, are:

- Enrolled and succeeding in a post-high school learning experience, including an adult career-technical education program, an apprenticeship and/or a two-year or four-year college program;
- Serving in a military branch;
- Earning a living wage; or
- Engaged in a meaningful, self-sustaining vocation.

91.46% of #CareerTechOhio students met this goal. After leaving high school in 2020, these students were employed, enlisted, in training, or continuing education within six months.

#CareerTechOhio is for everyone!

43.8%
Female Students

56.2%
Male Students

Goal Oriented	College Credit	In-Demand
47.03% of #CareerTechOhio students went on to pursue a college degree within two years of graduation.	25.48% of #CareerTechOhio students earned three or more dual enrollment credits.	22.14% of #CareerTechOhio students earned one or more of Ohio's in-demand industry-recognized credentials totaling 12 or more points.

<p>85% of #CareerTechOhio students scored proficient or higher on technical skill assessments.</p>	<p>127,785 students participated in #CareerTechOhio courses last year.</p>
<p>83,256 students were concentrators in a career-technical education pathway.</p>	<p>97.2% of #CareerTechOhio students graduated in 2020.</p>  <p>+10% vs. state average*</p>
<p>*Class of 2020 state of Ohio graduation rate was 87.2% (reportcard.education.ohio.gov)</p>	

DID YOU KNOW? A **concentrator** is a student who has completed at least two courses in a single approved career-technical education program or program of study. For a student to have completed a course, the student must have been enrolled for at least 90 percent of the scheduled hours and/or earned full or partial credit in a state-approved career-technical education workforce development course (curriculum element VT, VP, VN (JTC), PS), including job training programs.
